Unique experiences to Missoula are the Southgate Mall, and downtown specialty shops. The University of Montana offers a pleasant campus to explore, a hike to the “M” or a walk on the Kim Williams Trail along the Clark Fork River. The Boone and Crocket Club, the Historical Museum at Fort Missoula, The Rocky Mountain Elk Foundation, and the Smoke Jumper Center. Splash Montana on Bancroft next to Playfair Park, and numerous hiking and biking trails and city parks offer day-long entertainment for the entire family.
